About College

In 1982, Samaj Jagruti Sikshan Sanstha Murud, Ta. & Dist. Latur. (M.S.) has been established in order to serve the society by B.S.(Dada) Patade as the chairman of the institute. The institute has started Sambhaji College, Murud, Ta. & Dist. Latur in 1990, it has been affiliated permanently to Swami Ramanand Teerth Marathwada University, Nanded. The said college has been enlisted under 2(F) & 12(B).

Sambhaji College Murud has been existed in the rural area where no higher education facility had been available. Since the college has been imparting higher education for knowledge, character & patriotism at the UG & PG levels as well as while imparting the UG & PG levels education the college has been counseling the stakeholders to stream with the education through Yashwantrao Chavan Maharashtra Open University, Nasik Study Centre (UG & PG) preferably girls.

Since the college inception, it has been providing higher education facilities to the rural masses especially girl students. During the course of curricular, co-curricular & extension activities the college has been trying to imbibe and inculcate the spiritual, moral, social & economic values among the students. The college has been contributing towards social commitment by addressing the social needs as water supply during the sunny days as well as aiding the victims, financially and psycho socially.

The institution doesn't hesitate in helping the students who hesitate to pay the fees due to their economic weakness or condition. In all respects the college has tried to enrich the students through various curricular & extension activities on and off the campus. The college tries to play as the role of positive catalyst to quality education & creativity through the students' supportive activities & services as NSS, Sports, Cultural etc on & off the campus.

About e-Seminar

The National e-Seminar on Intellectual Property Rights aims to encourage a global dialogue amongst academia, industry, and government stakeholders to drive collaboration and innovation in the field of intellectual Property (IP) protection. The e-Seminar seeks to discuss the challenges and opportunities that arise from IP usage and its impact on society, industry, and the economy.

The primary objectives of the e-Seminar are to identify current trends in the use of IP in both public and private sectors, and to explore ways of increasing the benefits to both individuals and organizations from the development of effective IP strategies. Additionally, the e-Seminar will provide an opportunity for participants to gain an understanding of the legal frameworks governing the use of intellectual property in India and different countries.

Objectives of e-Seminar

- The scope of Call for Inventions transforming into Patents is to provide a platform where Inventors, Researchers, Engineers, Managers, Academicians, Geospatial Technologists as well as Industrial Professionals from across the globe can take up the advantage of securing their novel/uncommon work through Intellectual Property Rights. These Legal Rights ensures that Inventors are protected from theft of their invention and prevents others from using their invention without permission.
 - The primary objectives of the e-Seminar are to identify current trends in the use of IP in both public and private sectors, and to explore ways of increasing the benefits
- To analyse the present scenario of IP Rights in the International level
- To spread general awareness regarding various IP Laws
- To explore the challenges and possibilities relating to IP Rights
- To examine the opportunities ensured by IP Rights for a better future
- To disseminate the information and knowledge accumulated through interaction with different experts and scholars in the international arena
