2. INSTITUTIONAL PROFILE (History and Current Situation /Administrative Organization and Facilities / Performance Indicators / Situational Analysis)

1. Action Plan for Scaling up Enrollment of students for UG courses

Since our institutional inception, our institution has been imparting education at the UG level. There are UG and PG level programs as bellow.

Sr. No.	Name of the Program	Courses
1.	B.A.	Marathi, Hindi, English and History, Sociology, P.A. Economics, Political Sci. and Geography
2.	B.Com	Marathi, Hindi, English and Commerce subjects
3.	B.Sc	Marathi, Hindi, English and Chemistry, Botany, Zoology, Physics, Maths, Electronics, and Micro-Biology
4.	M.A.	Marathi
5.	M.Com	Commerce Subjects

Note: At our campus Y.C.M.O.U. Nasik study center is imparting UG and PG level courses.

Since our institution has been trying to chalk out the institutional measures in order to scale up the enrollment of the students.

Marketing:

College Prospectus: - Institutional prospectus is the authentic documentation of institutional profile. It is the main source of institutional information goes from one person to another. It means that directly or indirectly it propogates the institutional academic, administrative and manegirial agenda would help to scale up the enrollment of the students. It is published yearly and uploaded on college website.

Website: The world is dominated by the information and technology alongwith traces of artificial intelegence. Our institution would cope with the widely techno savy. The institional website is being updated and upgraded in order to meet the ends of the instition time to time.

Social Media: Now a days the validity of the social media is not challenged still indirectly accepted as the fastest in compare means of communication. Our institution used to avail the optimum usage of it to reach the college stakeholders. For e.g. Facebook, Whatsapp, Instagram, Twitter etc.

Media: Optimum Media coverage is the locational disadvatages of the institution. The print media noticeably covers the institutional excellence time to time but our institution is trying to reach the audio visual media in order to cover the institutional excellence for the sake of scaling up the enrollment of the

students.

Magazine: Institutional magazine is the mirror of the then and now academic year excellence. It would be distributed among the admitted students indirectly the intent of our institution is to bring the academic, administrative and managerial excellence. With the institutional publication our institute would like to reach for the sake of scaling up the enrollment of the students.

Hordings: In each academic year after the 12th examination result declaration our institute appreciate the 12th passed students and appeals them to seek admissions at our institution. The mast hordings would appeal the locality to seek admission by noticing the great legacy of excellence at the UG and PG levels.

Institutional Incentives:

Since our institution used to maintain the good will by mapping and tapping the timely policies e.g. rendering the services through various types of the academic and extra academic units. The institutional incentives covers various services or facilities: Parking, Canteen, sports, culture, NSS, Library, reading room, Safety sanitary napkin vending machine, ladies room, clean drinking water, ramp for Divyang, eco-friendly campus, Labs, digital English Lab, Geography Lab etc. Non profit based career consultancy programs, placement cell etc.

Institutional incentives are being tendered as the instrumental between the governmental and non governmental agencies in case of financial assistance comprising scholarships namely; GOI, Central sector scholarship, Eklavya, Minority, Sarati, Barti, Mahajyoti, etc.

Institutional Mentorship program:

It is the key features of our institution in order to fight the absenteeism and high dropout rate. With the help of the said program our institution used to manage the healthy rapport with the college stakeholders.

Community Engagement:

There is the alumni and parents coordination committee that used to maintain the healthy relation with them through the periodic meets or other programs. The said community used to interact with the institutional agenda through its representatives on various bodies such as college development committee and alumni and parents teachers associations. Our institution used to appeal their contribution in cash and kind.

Emergency relief fund:

In our institute emergency relief fund committee tries to render the institutional values by committing the social works. It is the best way of reaching the needy at the said locality. Our institution used to manage its goodwill through the said fund.

Action plan for introducing new courses and Programs:

The existing education policy does not offer academic autonomy therefore affiliated colleges have to follow the academic policy of the affiliating university. NEP-2020 thumpingly emphasizes on the academic autonomy. To entertain the academic autonomy NEP-2020 introduces the liberal policy under the well structured module multiple entry and multiple exit (MEME).

To take the SWOC analysis report:

Institutional SWOC analysis report would highlight the strength, weaknesses, opportunities and challenges. While preparing for the newly courses and programs the said analytical report would help us to differentiate between the institutional dos and donts.

To notice the institutional or locational advatages and disadvantages:

While preparing for the introduction of the subject or the courses our institution would like to notice the need of the locality accordingly our institution would like to introduce the courses in order to meet the need of the locality.

To introduce the self financing courses:

According to the discipline based employment opportunity courses are going to be introduce on the self finance basis. The core part of the courses would be capacity building and value added e.g. artificial intilgence, financial literacy, tax consultancy, introduction to CA, Introduction to disaster management, Social Reforms, Enterprenuership Development, Basic Maths, Introduction to competitive examinations, Introduction to tourism management, Basic Beauty Parlour, fashion designing etc.

The institutional intention is to introduce new courses and programs in order to convenient the local needs.

Action plan for strengthening undergraduate (UG) and postgraduate (PG) programs:

Strengthening undergraduate (UG) and postgraduate (PG) programs is one of the challenges before the institution as well as it is locational disadvantage. In order to achieve UG and PG level excellence our institution used to plan for strengthening programs.

To introduce the course and programs objectives:

Our institute has been affiliated to S.R.T.M.University Nanded, it is imperative to abide the academic and administrative policies of it. So that there is no room to design and develop the course and program objective as well as no room for the academic flexibility. The university prescribed syllabus covering the course and program objectives our institution would like to mention in the institutional prospectus with due illustration and justification. At the beginning of the academic year our faculty members according to their disciplines try to define the course and program objectives.

To define course and program outcomes:

At the beginning of the academic year our faculty members according to their disciplines try to define the course and program intended objectives and outcomes. While defining the course and program outcomes our faculty members used to notice the **Bloom's Taxonomy** in order to strengthen the course and programs outcomes.

To imbibe the interdisciplinary and multidisciplinary approaches:

Since the implementation of the National Educational Policy 2020 there is liberal policy in case of educating the learners where they can avail the multiple entry and multiple exit (MEME). Educational liberty is defined by the policy that irrespective of their courses and programs learners are free to enter and exit according to their aptitudes. Therefore it is an institutional responsibility to enter interdisciplinary and multidisciplinary approaches.

To promote the research culture:

According to courses and programs our institution would define the disciplinary based research promotion ideas. Accordingly our institution is trying to begin the new research centers such as Mahatma Gandhi research center, Dr. Babasaheb Ambedkar research center as well as promoting the faculty members to undergo the MRPs.

Along with the research promotions our institution would like to initiate the organization of Workshops, seminars, conferences, faculty development programs.

To develop the library:

In our institution central library has been strengthened as the major channel of knowledge. Library is considered as the major source of information. In our library Soul application has been installed in order to maintain the speedy work of it. Our institution has been trying to register the INFLIBNET and N-List for the sake of imparting and implanting the research culture on the campus. Our institution would like to invest significantly in order to automate it such as OPAC, Automated Catalogue, Users' Barcode system either the institutional beneficiaries or non institutional beneficiaries.

To introduce the Online Distance Learnings (ODL):

NEP-2020 promotes open distance/online distance learning platforms boasting any time anywhere one can learn and have certificates. With the help of All India Council for Technical Education (AICTE) the system of ODL has been defined and developed to promote the higher educational institutions to avail the ODL through the registered or prescribed platforms covering SWAYAM, MOOCs, and NPTEL. It is institutional responsibility to define according to the courses and programs.

It is universally admitted that the problem of absenteeism and controlling high drop out rate is rampant. It is national agenda to maintain the significant attendance of the students or it is the institutional challenge to engage the students as to maintain the classroom culture. During the information and technology era the society is digitally addicted so that it's a case study report in order to maintain the aspirancy of the learners institution have to provide the teaching, learning and evaluation modes according to the next generations. NEP-2020 has introduced the blended learning mode to replace the existing mode of learning and evaluation. Our institution would like to practice the blended learning mode according to our affiliating university prescriptions.

To develop the Institutional Evaluation System:

Our affiliating university has prescribed the university and college assessment system under the formative and summative examination. Evaluation system is the core section of the institution in order to assure the quality culture and excellence on the campus. Our institution would like to practice other ways

of assuring the quality culture measurements. Our institution would like to focus on the assignments according to different courses and programs. Our institution would like to develop the critical thinking and creative thinking of the students by making available the examination covering MCQs and descriptives ones.

To conduct a need based assessment:

The first step is to conduct a thorough needs assessment to identify the strengths and weaknesses of the existing UG/PG programs at the college. This can be done through surveys, focus groups, and interviews with students, faculty, and staff.

To hire qualified faculty:

Hiring qualified faculty is critical to the success of UG/PG programs. The college ought to recruit faculty members who have a strong academic background and practical experience in their field of expertise.

To provide professional development opportunities:

Professional development opportunities should be provided to faculty members to keep them up-to-date with the latest trends and research in their field. This can be done through workshops, seminars, and conferences.

To enhance student support services:

The College would enhance its student support services to provide students with the resources they need to succeed academically and professionally. This can include academic advising, career counseling, tutoring, and internships.

To define employment opportunity:

NEP-2020 envisages the 'self sustain' and 'self reliant' principles. NEP-2020 recommends all the higher educational institutions to introduce skill enhanced and skill ability enhanced courses. The problem of unemployment is becoming the national challenge. Therefore our institution has been providing the well structured institutional equal opportunity cell and placement cell with which industry interfaces assures the cent percent placement as well as career counselling or expert lectures.

Accordingly the institutional faculty members would define the employment opportunities according to their courses and programs. Our institution has been trying to introduce the recent trends based courses in order to seek the employment at the local and global levels.

To maintain the feedback mechanism:

Our institution has been maintaining well structured feedback mechanism. It's an opportunity to interact with the college stakeholders regarding the institutional SWOC issues. Our institution would like to welcome free and fair feedbacks of the college stakeholders to meet the need of the society through various occasions and programs.

To survey

After collecting the feedbacks from the different stakeholders our institution would analyse and would like to take possible action in order to meet the college stakeholders' expectations as well as would like to prepare the perspective plan for the institutional development.

5) Action plan for Alumni Engagement:

Vision:-

- To knit the bond of love, affection and attachment to render the gratitude.

Missions:-

- To get registered the alumni association.
- To encourage the alumni registrations at the institutions.
- To maintain the academic, administrative and cooperative rapports.
- To organize the alumni meets periodically
- To imbibe the institutional and social responsibility through the community engagement programs.
- To promote and encourage the alumni to contribute in cash and kind.
- To conduct the periodic assessment and audit of the association.

6) Action plan for Student Placement:

Now a days the reputation of the institution is measured by the outcome based education (OBE). Validity of OBE is measured by the placement of the students and incentives provided towards the start up. Infact our institution has been imparting traditional based degree education. It is as challengesome to apply outcome based education in case of humanities, upto some extent OBE would be applied to Science and Commerce.

- To establish the institutional Placement cell:
- To maintain the eual opportunity cell.
- To sign MoUs
- To develop the institutional collaboration.
- To pursue the institutional interfacing with the industries.
- To take institutional initiatives to conduct the periodic employment opportunity meets.

7) Action plan for ICT based teaching learning process and infrastructure:

Now a days, ICT plays vital role during the course of teaching learning process and practiced especially during the Covid-19 pandemic. During the sensitive period our institution realize the significance of ICT based applications. Upto some extent our institution has provided the ICT based amenities such as the digital language lab, Geography lab at the administrative purpose CCMS has been installed to convenient the academic and administrative purposes while our library has been partly automated with the installation of SOUL 2.0. In order to meet the ICT ends our institution is going to provide the following amenities prescribed by the NEP-2020.

1. To update and upgrade the existing ICT infrastructure.
2. To promote the ICT based teaching learning process.
3. To introduce ICT user friendly teaching learning applications.

4. To take institutional initiative to establish virtual teaching learning countenance.
5. To build the digital classrooms
6. To promote the ICT based or ODL learning modes via SWAYAM, MOOCs etc.
7. To introduce the chapter NPTEL
8. To introduce the STEM
9. To strengthen the library by registering INFLIBNET, National Digital Library of India (NDLI), N-List etc.
10. Need based ICT enabled value added and capacity building courses be introduced.

8) Action plan for implementation of skill based and value Added courses:

Since the implementation of the National Educational Policy 2020 there is liberal policy in case of educating the learners where they can avail the multiple entry and multiple exit (MEME). Educational liberty is defined by the policy that irrespective of their courses and programs learners are free to enter and exit according to their aptitudes. Therefore it is an institutional responsibility to enter interdisciplinary and multidisciplinary approaches.

NEP-2020 envisages the 'self sustain' and 'self reliant' principles. NEP-2020 recommends all the higher educational institutions to introduce skill enhanced and skill ability enhanced courses. The problem of unemployment is becoming the national challenge. Therefore our institution has been providing the well structured institutional equal opportunity cell and placement cell with which industry interfaces assures the cent percent placement as well as career counselling or expert lectures.

Accordingly the institutional faculty members would define the employment opportunities according to their courses and programs. Our institution has been trying to introduce the recent trends based courses in order to seek the employment at the local and global levels.

According to the discipline based employment opportunity courses are going to be introduced on the self finance basis. The core part of the courses would be capacity building and value added e.g. artificial intelligence, financial literacy, tax consultancy, introduction to CA, Introduction to disaster management, Social Reforms, Entrepreneurship Development, Basic Maths, Introduction to competitive examinations, Introduction to tourism management, Basic Beauty Parlour, fashion designing etc.

The institutional intention is to introduce new courses and programs in order to convenient the local needs.

9) Action plan for enhancing enrollment of students/faculty for opting online MOOCs, SWAYAM courses:

The new education policy tries to replace the chalk and talk based education system by introducing the ODL.

1. To introduce the ODL platforms
2. To introduce ICT based education policy NEP-2020 recommendation
3. To sensitize the college campus with the module multiple entry multiple exit.

4. To ensure the institutional digital literacy.
5. To assure the digital learning aspirancy
6. To introduce the MOOC courses either certificate based or knowledge based.
7. To introduce the SWAYAM platform
8. To encourage and promote the ODL through the valid channels.
9. To take review of the ensurance and assurance of the ODL.

10. Action plan for improving collaboration with industries.:
