1. Preamble

There is a need to exchange new technologies and information in higher education. Therefore, it helps in improving the teaching methods, research work and quality of students in higher education. In order to brighten the future of the students and for sustainable development, it is necessary to have a Memorandum of Understanding (MoU) for implementation of various academic and research activities in various universities, colleges and other educational institutions providing higher education. With this in mind, we are signing a Memorandum of Understanding between **Sambhaji College, Murud Dist. Latur** and **Indira Gandhi (Sr.) College, CIDCO, Nanded** for the exchange of educational and research activities.

Sambhaji College, Murud Ta. Dist. Latur

In 1982, Samaj Jagruti Sikshan Sanstha Murud, Ta. & Dist. Latur. (M.S.) has been established in order to serve the society by B.S.(Dada) Patade as the chairman of the institute. The institute has started Sambhaji College, Murud.Ta. & Dist. Latur in 1990, it has been affiliated permanently to Swami Ramanand Teerth Marathwada University, Nanded. Our college has been enlisted under 2(F) & 12(B). It has been existed in the rural area where no higher education facility had been available. Since the college has been imparting higher education for knowledge, character & patriotism at the UG & PG levels as well as while imparting the UG & PG levels educatios the college has been counseling the stakeholders to stream with the education through Yashwantrao Chavan Maharashtra Open University, Nasik

2. Collaboration:

This Memorandum of Understanding (MoU) is entered into on this day of 12 February 2022 by and between **Sambhaji College, Murud Dist. Latur** and **Indira Gandhi (Sr.) College, CIDCO, Nanded** agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities. **Sambhaji College, Murud Dist. Latur** and **Indira Gandhi (Sr.) College, CIDCO Nanded** have mutually agreed to collaborate with each other in the following areas.

- Intellectual Property Rights;

- Dissertation work.
- Faculty and student exchange.
- Joint conferences and workshops;
- Joint Research Programmes funded from outside agencies viz., UGC, DST, DBT, CSIR etc;
- Joint field work, Study tour etc.
- Any other areas of mutual interest.

The parties anticipate that a number of these initiatives will occur during the period of this MoU. However, neither party is obligated to agree to any minimum number of activities, nor is this MoU intended to preclude either party from entering into similar agreements with other institutions. The available facilities of Colleges will be utilized with mutual consent and subject to the feasibility. Both parties agreed to enter into a collaborative understanding on the terms and conditions enumerated in this MoU.

2. Terms of Collaboration:

a) **Sambhaji College, Murud Dist. Latur and Indira Gandhi (Sr.) College, CIDCO, Nanded** agree to enter into detailed agreements on case-to-case basis, with a defined objective, specifying the scope of work and mutual obligations, terms and conditions, financial arrangements, Intellectual Property Rights and similar contractual obligations.

b) In case either party wins a consultancy project by projecting this MOU, a liability is created immediately in respect of premium due to

RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A" by the National Assessment and Accreditation Council (NAAC) in its First Cycle. It is located in the well-known area of Kalkaji, near Nehru Place, in South Delhi.

The College was established in 1958 as an evening college for boys with just five programmes. Since 2010, Ramanujan College has been expanding and now with the latest addition of B.Sc. Environmental Sciences (Hons) in 2020, it at present offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. It has gradually grown into a self-sufficient and self-reliant institution owing to its academic vigour and intellectual capital.

Ramanujan College was awarded the Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (DDU KAUSHAL) Kendra in 2016 by the UGC, under which two vocational courses were started in Banking Operations and Software Development.

The College has conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of Ministry of Education (MoE). This Course was uploaded on MoE's Massive Open Online Course (MOOC) platform SWAYAM and many participants registered for it.

Ramanujan College offers various short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes. These are conceived and designed by faculty members in consultation with external experts.

TEACHING LEARNING CENTRE, RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on in-depth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis.

13 Faculty members are research supervisors and worked on near about 20 Minor Research Projects were sponsored by UGC and the parent University. So far College has organized National Conference in Physics, State Level Workshops in Chemistry, Physics and English. The College strives hard to fulfill its goal of providing quality education to the students enrolled from lower socio-economic strata. The College is twice accredited by NAAC through subsequent two cycles.

SAMBHAJI COLLEGE, MURUD

In 1982, Samaj Jagruti Sikshan Sanstha Murud, Ta. & Dist. Latur. (M.S.) has been established in order to serve the society by B.S. (Dada) Patade as the chairman of the institute. The institute has started Sambhaji College, Murud, Ta. & Dist. Latur in 1990, it has been affiliated permanently to Swami Ramanand Teerth Marathwada University, Nanded. The said college has been enlisted under 2(F) & 12(B).

Sambhaji College Murud has been existed in the rural area where no higher education facility had been available. Since the college has been imparting higher education for knowledge, character & patriotism at the UG & PG levels as well as while imparting the UG & PG levels education the college has been counseling the stakeholders to stream with the education through Yashwantrao Chavan Maharashtra Open University, Nasik Study Centre (UG & PG) preferably airts.

Since the college inception, it has been providing higher education facilities to the rural masses especially girl students. During the course of curricular, co-curricular & extension activities the college has been trying to imbibe and inculcate the spiritual, moral, social & economic values among the students. The college has been contributing towards social commitment by addressing the social needs as water supply during the sunny days as well as aiding the victims, financially and psycho socially.

The institution doesn't hesitate in helping the students who hesitate to pay the fees due to their economic weakness or condition. In all respects the college has tried to enrich the students through various curricular & extension activities on and off the campus. The college tries to play as the role of positive catalyst to quality education & creativity through the students' supportive activities & services as NSS, Sports, Cultural etc. on & off the campus.

CONCEPT NOTE

Geography matters in everyday decision-making, and we use it knowingly or inadvertently without realizing it. The implementation decade of 17 Sustainable Development Goals (SDG's) has accentuated the relevance of the subject across disciplines. With the higher education ecosystem impacted directly through scores acquired for Academic Performance Indicators (API) in recruitments and career advancement, the refresher course like the present becomes beneficial.

Geography crops up everywhere, yet whose uses seem to be changing recurrently, producing new and often surprising variations of meaning. The course aims bridge the complexities and understand the relational inter-linkages between 3G's, geography, geographers and geospatial technologies.
